
VISION

Guided by our Catholic mission and Holy Cross tradition, the Division of Student Affairs welcomes students of all backgrounds into Notre Dame's community, and strives to nurture minds and hearts to enable our students to bring hope to a world in need. As we accompany students, we endeavor to create an environment that will encourage them to deepen their faith, develop the virtues that constitute a good moral character, grow intellectually, discover the joy of selfless service, and cultivate their psychological and physical well-being. This formation prepares them to discern their calling, live just and generous lives, and achieve the human completeness that is the goal of true education.
